"Faith as small as a mustard seed can move mountains"

Newsletter Date: 03/07/2026

Dear parents and carers,

Our newsletters are always full of thanks because we truly appreciate the support you give to enable events to happen. This week it has involved team building with Ribble Valley Sports Partnership and cricket. Huge thanks to those who made this happen, transporting, coaching and everything in between! We have also loved spending time with our new children at Stay and Play in Pre School and in Reception. We have several stay and play sessions in school to enable the children and the parents and carers to become familiar with the environment, and simply because it's a beautiful part of their journey. So thank you for supporting us with this.

We have our summer fair after school today with a bouncy obstacle course, food, cakes, drinks, school council stall, glitter hair and tattoos, toys and books, bottle tombola, chocolate tombola, our legendary raffle, Year 5 and 6 enterprise stalls, a special visitor (a giant Labubu!) and much more! You can also buy raffle tickets for the Deershed festival family ticket. The question everyone is asking is - who is inside the Labubu costume?! We look forward to a joyful community event.

On Monday we support England in the World Cup by screening the match at 9am. Children can attend school in football kits or sports clothes (shorts and t shirt), and enjoy the match or other activities if football is not their thing. Please try to keep the result top secret to add to the suspense!

In other news, the DFE have announced yesterday that KS2 SATs results are delayed from Tuesday 7th July to Thursday 16th July, the day before the children break up. The DFE state that this is due to the technical difficulties with Pearson, the company organising the marking of the papers. This is exceptionally disappointing as we give the children time with myself and their teacher to hear the results one by one, and celebrate them as individuals, which was timetabled in for the 7th. This will now take place after their leavers assembly which is on the 16th July. The children will have their assembly and be celebrated together, then will spend time with their seeds and have an opportunity to have their shirts signed whilst taking turns to hear their results and be celebrated. The following day will be their leavers Mass in the morning before an early closure in the afternoon. Reports will go out as usual, with the results to follow from the 16th. We will also be checking the marking of the papers as usual once we have received the results and have until 24th July to send any queries back to the markers. High schools will receive the results as soon as is possible. We appreciate this is far from ideal, but is beyond our control and we will be giving the children an amazing final week despite the challenges! Our leavers Mass will lift us through and celebrate all of our children as they should be celebrated.

God bless,
Miss C Boden

The background is a deep purple with a subtle vertical striped pattern. In the top left, several gold, multi-pointed stars are hanging from thin lines. In the top right, a corner of a marquee sign with glowing yellow lights is visible. In the bottom left, another corner of a similar marquee sign is shown. In the bottom right, a cluster of small gold stars is scattered. The main title 'SHOW STOPPERS' is centered in large, bold, white capital letters with a bright yellow glow effect.

READING HEROES

From 1st July and throughout the summer holidays, come visit your local LCC library & become a reading hero!

Captain A. Eye and his parrot Polygon, are hacking computers looking for treasure & if you are aged between 4 & 12, then **YOUR LIBRARY NEEDS YOU TO HELP STOP THEM!**

Sign up for free at your local library, create your own pirate name & receive a booklet containing all the information you need to help stop Captain A. Eye, including a comic book story to unlock along the way.

To become a Reading Hero, read five books over the course of the summer holidays, collecting stickers and prizes as you go!

To become a Reading Superhero, read five books & complete 3 of the tasks in the booklet. You'll then be entered into a prize draw for a £50 Lego kit of your choice!

Signing up also gets you & one adult into our Lancashire museums for free!

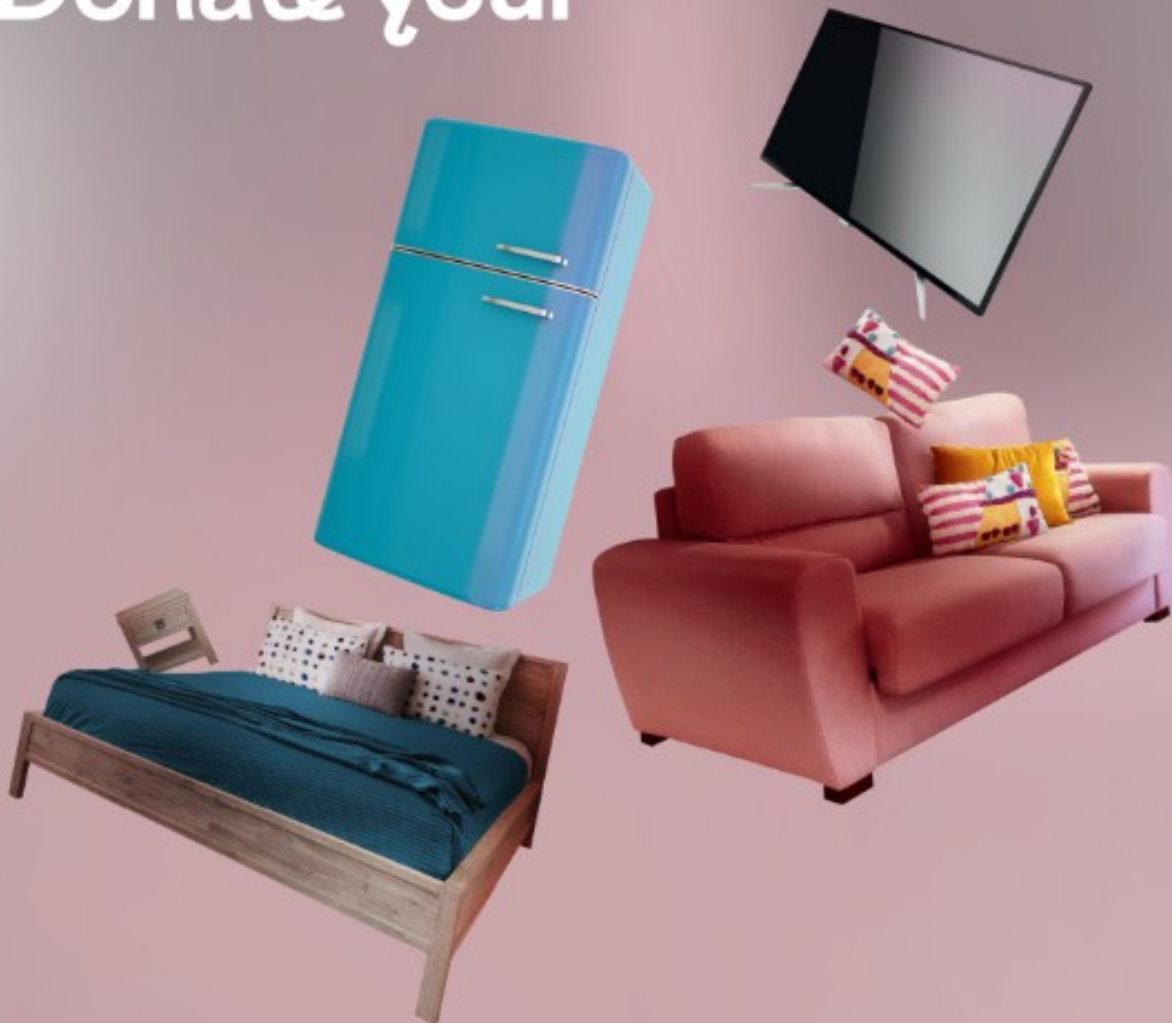

Come join our free Mathematics themed activity events at Whalley library on Wednesday mornings during the summer holidays including Spy Wheel making, dreamcatcher making, table football kits, 'Roll A Pirate' & more!

Ask your librarian or visit our **Lancashire County Council Events Webpage** for more info!
