"Faith as small as a mustard seed can move mountains"

Newsletter Date: 17/07/2026

Dear parents and carers,

So we come to the end of another year. This time it is the lockdown Reception children who leave us in Year 6. We will miss them hugely, and whilst over the years we have talked of what they lost—the socialising, the turn taking, the speaking and listening, when at home and in bubbles unable to do the usual things in life —our lockdown Reception children are a credit to their families and St Mary's. They have gained resilience and an appreciation for the everyday things. They have found joy in the world around them as we bubbled our way through Nativities, world events, Easter and everything in between. St Mary's is a very special place because of all of our beautiful families, and our amazing team. The joy we bring together through our interests and talents, our love for life, and the compassion we all have, makes us very special indeed. Our Y6s have achieved so much despite the false start back in 2020, and maybe, they are even a little more special because of it!

Thank you to our families for all of your support and kindness. The photos, videos, kind words and collective love for our children is truly unique.

This summer as those Y6s prepare for the next chapter in their story, we prepare for another year here at St Mary's. Our uniform survey is being collated. Please remember that only 3 branded items need to be used for school, therefore there will be a period of transition. Practically, the cardigan or jumper, tunic or skirt, and PE hoody are the foundations of the uniform whilst we await the survey. We want to support parents in saving money therefore do not expect other items to be purchased therefore plain blue PE tops are fine, and the usual white shirts and grey trousers/shorts are unbranded.

We wish you all a happy and joyful summer, and look forward to coming back together in September.

Thank you and God bless,

Miss C Boden
