"Faith as small as a mustard seed can move mountains"

Newsletter Date: 27/03/2026

Dear parents and carers,

We are so grateful to Meg at The Grand for the amazing opportunity four of our Year 6s had over the past few weeks. We were invited to produce a podcast at The Grand using their recording studio and their experts. Our children were exceptional and produced a fantastic podcast on our world, interviewing a special guest and designing their logo and the podcast itself. Thank you to Meg for the opportunity and all of the staff for your time and dedication. You can find our podcast here to view at home. Parents will be invited in next week to view it with their children. <https://www.thegrandvenue.co.uk/projects/podcast-project/>

We also enjoyed a fantastic trip to watch Matilda and are very grateful for our volunteers, staff and Oakhill school for the opportunity of seeing a production so close to St Mary's! As we reach our final week in school before Easter, we look back on the journey of Lent and the amazing things our children have done for others. Thank you to all for all of the big and little gestures such as wearing purple on Fridays, charity work, Celebration of the Word, Masses, St Joseph's Penny collecting, and the beautiful stay and prayers with out families. Please remember after the holidays we can wear our summer uniform. Summer dresses are blue striped dresses from major retailers or the uniform shops. White polo tops have our school badge. Please make sure uniform matches our policy. Next week we look forward to the Year 3 Easter pay in Church, Easter bonnets and egg creations, and a wonderful Holy Week together in school.

God bless,
C.Boden

Our Faith at St Mary's

On Tuesday 31st March we have the Year 3 Easter Play in Church at 2pm. We welcome all families. We will put benches down the sides for our KS2 classes and welcome parents, carers and parishioners to Church. If they can sit on the back 4 rows and in the gallery, we then have enough room to fit the pupils into Church.

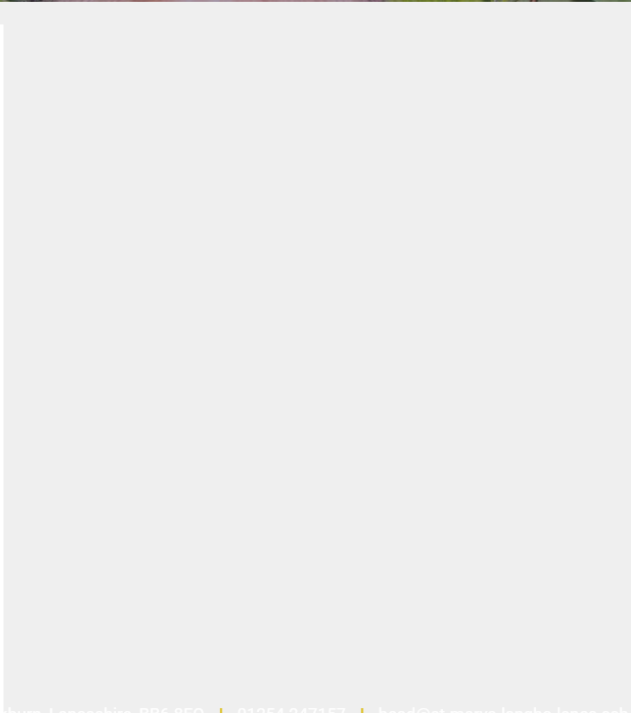

Please check Mrs Mackey's message on Dojo regarding an Easter art competition.

Prayer Club will continue next week, and watch out for our Stay and Pray and Mass dates for next term.

Fun with friends and making different artworks are just some of the inspiring activities your child will enjoy in our Create Club at Barrow URC Primary School. Your child will experience a fantastic range of cool and funky activities within the theme...

Create the Change!

Our national programme for Create Clubs is underpinned by pedagogy to encourage independent thinking and problem-solving. See <https://thecreationstation.co.uk/create-club/> for more details. Our founder, Sarah Cressall, received an OBE in 2024 in recognition of opportunities provided for children by The Creation Station over the last 24 years. We bring in other subjects to our themes and encourage the children to share what they know already or have been learning in school.

This half-term, we are going to think about the environment and ideas about looking after it.

- Planet Protectors: Invest in our Earth
- Bee Heroes: Save our Buzzing Friends
- Desert Detectives: Creating the Climate Code
- City Wildlife Champions: Saving our Spiky Neighbours
- Ocean Guardians: Protecting our Blue Planet
- Wildfire Warriors: Understanding Fires and Forests

Who: Create Club is open to all year groups and abilities; we will adapt the activities accordingly.

When: Tuesday 14 April – Tuesday 19 May 2026 3.30pm – 4.30pm

Cost: All materials are included. The half-term cost is £36.00 (6 sessions)

How to book: [Summer 1 Booking Link](#)

I look forward to meeting your child and here's to an inspiring time!
